## VOLUNTEERS: HANDS AND FEET OF LOVE INC LOVE INC

These two months have been really exciting! More and more volunteers have been participating and having an impact in peoples lives and they in turn are experiencing the joy of serving others!

Church Members from different congregations have also given donations in kind and cash towards the Ministry. What a blessing this has been! From Office donations of Kitchen utensils, Food Items and Equipment such as Desks and Drawers to those of Clients i.e. Clothes, Shoes, Eggs, Maize and beans, we have been witnesses of the mobilized church in action.

Another highlight has been the team volunteering at the Office in Administration, Communication, Front Desk and the Clearing-house. They are such a lovely team. God bless you guys! May Prov. 11:25 be true for you! "A generous man will prosper; he who refreshes others will himself be refreshed." Amen!

A single mother who recently delivered was in need of a bed, food supplies and fuel to cook. She has two their children. Love INC mobilized volunteers to visit her and they reported the same. Love INC circulated these needs and a group of women from BAF Mwhiko organized to visit her and took her beans, maize and vegetables to cook. What an encouragement to the mother!
