

Dear Supporters of Love INC of Metro Tampa;

In response to the current health emergency, we must cancel our April 7, 2020 Breakfast Fundraiser. As I'm sure you understand, however, the need for our Love INC ministry and services is substantially increasing with the current health and employment issues.

So, you and your family are cordially invited to our first (and hopefully last)

Love INC Stay at Home Banquet

Date: Tuesday April 7th 2020

Location: Your home

Time: You decide

Leave the car in the driveway. Wear whatever you would like. Choose your own dinner from the freezer. Enjoy casual dining at its best. Kick back; relax in the comfort of your own home. Enjoy your family time. Support Love INC of Metro Tampa.

Ann, Michael Doyle and family enjoying their Stay at Home Banquet.

Will you bless us and Love INC guests entrusted to our care with a generous gift for our Stay at Home Breakfast Fundraiser? We are grateful and appreciate your support in understanding the urgency of our request. **Please visit www.loveinctampa.org or use the enclosed envelope to donate.** Thank you for your generous response in support of our healing ministry that reflects His love to those in desperate need of hope.

In His service,

Ann M. Doyle / Executive Director
Love INC of Metro Tampa
